

Since 1999, Missouri NEA has sponsored Read Across America tour to help inspire reading in Missouri's youth. The National Education Association's nationwide reading celebration takes place each year during the week of March 2nd. Missouri NEA Pres. Phil Murray and Vice Pres. Rebeka McIntosh will engage with students about the connection between reading and success in life. We encourage local leaders to organize assemblies that promote lifetime reading habits and use skits, parades, games and other activities that celebrate reading and further the message that reading opens doors to opportunities to learn and grow in our diverse world.
